LOCK-N-LOAD®

# QUICK CHANGE HAND TOOL

- Dual-sided chuck with 8-32 threads allows quick changeover from one tool to the next.
- Ergonomic design reduces hand/finger fatigue during case preparation.

## **INCLUDES:**

- Three dual-sided chucks
- Chamfer/Deburr Tools
- Large and Small Primer Pocket Cleaners
- Neck Brushes for 22 cal, 25 cal/6mm, 270 cal/7mm, 30 cal, 35 cal/9mm, and 45 cal

## INSTRUCTIONS:

To use one of the case prep tools, thread it into one of the three included dual chucks. For quick changeover, thread another tool into the opposite side of the same dual chuck. These chucks are inserted and removed from the tool handle by pressing the "H" on both of the release buttons at the same time. Never try to insert or remove a chuck without fully pressing the release buttons.

In addition to the ten tools included, any tool with an 8-32 thread can be used with the Lock-N-Load® Quick Change Hand Tool.
