Hornady Security® is on the fast track to offering gun owners the most comprehensive line of quick access RAPiD® safes. Patented RFID technology delivers the fastest access to your handguns, rifles and shotguns. Simply place the RFID tag (wristband, key fob or adhesive decal) over the reader and the safe springs open to present your firearm. By using RFID technology, there's no need to find a key, register a fingerprint, or remember a combination.

IT'S THE QUICKEST, MOST EFFECTIVE WAY TO STAY SAFE AND READY!

U.S. Patent No. 9,530,266. Do not store loaded firearms in any safe or lock box. Follow local laws for firearm storage. Gun and accessories not included.
