With the Dual-Lid Lock Box, store your firearm and ammo — or any two items — securely and separately in one keyed-alike, space-saving box. Just place your handgun in one side, close and lock the lid — then repeat on the other side!

• Meets TSA requirement for transporting ammo and firearm separately*
• Ideal for concealed-carry permit holders
• Handle folds out for ease in transporting and tucks away when not in use
• Durable 16-gauge steel housing

* Check TSA regulations and airline policies before traveling with any portable safe. Follow local, state and federal laws for firearm storage and transport.
